Director of Physical Education
Kansas University
Lawrence, Kansas

Dear Sir:

Your letter of May 26th with reference to the golf tournament between the alumni and the seniors has been received.

I have played the Lawrence Country Club course since it was re-designed and the last nine holes added, and I feel sure that it is "tough." I would very much like to be present and engage in the match, even though myggolf is very poor, but, due to the fact that I have been away from my office for some three weeks, I feel that it will be impossible for me to be present.

I am sure that the alumni can hold their own against any team, and that they will be successful in the tournament. Of course, they will undoubtedly have to receive a great many instructions from the coach, but I am sure that they will be successful.

With kindest personal regards, I am

Very truly yours,

John M. Wall
