Dr Forrest C Allen,
The University of Kansas
Lawrence, Kansas.

Dear Phog:--

I received your letter of May 26th and have been trying to arrange to get back for the 10th. Matters have come up which will prevent my doing so. Our meeting at Dearborn was postponed until next Monday the 12th. I will have to leave here Saturday arriving there Monday morning or Sunday night. In consequence I will be unable to stop at Lawrence. Will you kindly tell Irving Hill that my failure to come has saved him considerable money.

My very kind regards to you old fellow.

Yours very truly

Alston
