Mr. Forrest C. Allen,
Lawrence, Kansas.

My dear sir:

Your letter of the 7th is at hand. Thank you very much for the compliment, but I am not that good. I merely play golf to recover from a condition they call muscle-bound. Enjoy it very much, and it seems to be lossening the joints.

It would be impossible for me to get away tomorrow, as one of the boys here in the Bank has the mumps and makes a shorthanded. Besides Carl is going to spend the week end with us, and we will likely work over the Katy Golf course at Parsons tomorrow afternoon and the Country Club at Chanute Sunday morning.

With kindest regards for the compliment anyway,

I am Very truly yours,

Sidney S. Linscott
