To Official K. U. Representatives:

Here's an easy one for you: Please send us post-haste the names of all the alumni in your community who take an active interest in golf.

We are going to have a REAL golf tournament at Commencement this year, and the committee wants to write directly to the alumni who are golfers. Add to your list parents of this year's graduating class.

Professor Jake Jones was named chairman of the golf tournament committee. He called us together and put none other than Phog Allen himself in charge of promotion. These persons whose names you send in will hear plenty from Phog. If you don't answer this within the next three days, you will be hearing from him too.

The Lawrence Country Club has a perfectly wonderful 18-hole course, with the finest greens you ever saw. The Commencement committee has authorized some fine prizes.

Now you give us the names of these golfers, and I am betting dollars to doughnuts that Phog and Jake will have a golf tournament that <u>is</u> a tournament.

Sincerely yours,

Dear Fred:

I am in receipt of your letter of May 12, 1939 inquiring about the alumni who are interested in golf. I have just looked over my list of K. U. Alumni in this county and I don't believe that there is anyone here now that is taking much interest in golf. However, Carl Ackerman, Dean Floyd, and John Wall all of Sedan have played some in the past. I don't believe that my list of the alumni has been brought up-to-date very recently and there might be a few more of the late graduates.

I don't have a list of the graduates of this year and the only ones that I can think of off-hand are Mr. and Mrs. Bill House of Cedar Vale. Their parents are Fred Holroyd and S. W. House of Cedar Vale.

Yours truly,

Professor Jake Jones was named chairman of the golf tournament committee. He called us together and put none other than Phog Allen himself in charge of promotion. These persons whose names you send in will hear plenty from Phog. If you don't answer this within the next three days, you will be hearing from him too.

The Lawrence Country Club has a perfectly wonderful 18-hole course, with the finest greens you ever saw. The Commencement committee has authorized some fine prizes.

Now you give us the names of these golfers, and I am betting dollars to doughnuts that Phog and Jake will have a golf tournament that is a tournament.

Here's an easy one for you: Please send us post-haste the names of all the alumni in your community who take an active interest in golf.

We are going to have a REAL golf tournament at Commencement this year, and the committee wants to write directly to the alumni who are golfers. Add to your list parents of this year's graduating class.

We do not have any real golf enthusiasts altho men who have played for recreation at times are C. J. Pairen, Chas. Pairen and Kenneth Miller of Wathena Kans.; and Andrew Delaney of Troy Kans.

Graduating parents are Rev. G. C. Meyer of Wathena father of Helen Marie Meyer.

I do not know name of father of Carolyn Murphy Benky of Highland but possibly Registrars office has this.

Mr. Paul R. Jones,

Dear Friend Peter:

We are counting on you for our golf tournament which starts Saturday morning, June 10, at 9 o'clock at the Lawrence Country Club. Glenn Oatman, the former Kansas and Missouri amateur open golf champion, who coached our varsity golf team to a Big Six championship this year, will be the official handicapper.

We have a sporty 18-hole course here at the Lawrence Country Club, with grass greens, and everybody who plays the course says it is a real championship course. It is tough, but not too tough.

Glenn Oatman is planning on matching the ten alumni, or fathers of Kansas students, against his ten seniors. Of course we will borrow the varsity golfers, but he thinks he has some pretty good seniors that would give the old-timers a great match. For those who play on sand greens, Oatman will give you an additional handicap to offset your disadvantage in playing on grass greens.

Please write me at once and inform me definitely that you will be here. We start the round at 9 o'clock Saturday morning, June 10. Professor J. O. Jones and Dr. E. Lee Treece and Glenn Oatman are cooperating with me in endeavoring to make this ten team match a great affair. We will appreciate your early acceptance. Don't be bashful because you think we might get more than ten men. If we have more than ten we will increase the number of competitors against these confident seniors.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Bill:

John A. Donaldson has sent Fred Ellsworth a list of the K. U. alumni in the Chicago district who are golfers. We are counting on you for our golf tournament at the Lawrence Country Club which starts Saturday morning, June 10, at 9 o'clock. Glenn Oatman, the former Kansas and Missouri amateur open golf champion who coached our varsity golf team to a Big Six championship this year, will be the official handicapper.

We have a sporty 18-hold course here at Lawrence, with grass greens, and everybody who plays the course says it is a real championship course. It is tough, but not too tough. So we want you to come, whether you play good golf, or just golf.

Mr. Austin McCarthy,
730 York Street,
Denver, Colorado.

Dear Austin:

Fred Ellsworth told me of your reply to his appeal for golfers. I am sorry that I was out of town last week end. It was our conference meet at Ames, and then I have had commencement dates this week and have been out of town much. Hence the delay.

We are planning a ten-team alumni golf tournament against the ten best senior players. Glenn Oatman, the Missouri and Kansas open amateur champion, who coached our Kansas varsity to a Big Six championship this year, will be the official handicapper. So we surely want you and Irving Hill in with the first ten alumni golfers.

I note that you will be in Detroit on June 6 and 7, but be sure to be here on the morning of the 10th at 9 a.m. We will have a lot of fun and we will need your skill and services in putting these cocky seniors in their places. They are pretty tough. But we can count on Glenn Oatman giving the old-timers a real break. Please do not fail us.

I am sending this letter air mail so that you will get it in plenty of time to arrange your plans to be with us. I am contacting Irving Hill today so that he can arrange his plans for this date.

With kindest regards and best wishes to you, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear "Phog":

I received your letter of May 27th and appreciate the same.

I don't play a very mean game of golf but I would like to be in and about Lawrence on the days mentioned. However, I have been very busy commutting to and from Kansas City on account of my son Billbeing a patient in Research Hospital for exactly four weeks to this very day.

He was hit in the head while playing tennis in a near-by town, by a youngster throwing a discus. It was just one of those unavoidable accidents and the youngster let the discus get away from him.

The boy is really serious yet and I drive back and forth at least once each week so I really don't have any time to devote to golf and probably won't this summer.

Sincerely

Dear Dr. Allen:

I am in receipt of your letter of May 26th relative to the golf tournament to be held on June 10, in connection with the graduation festivities.

I would like very much to be present for the graduation exercises and to participate in the golf tournament. However, due to the fact that our June term of court is opening here just prior to that time, it will be impossible for me to do so.

If any of the persons mentioned in my letter of May 16th can attend, I will urge them to immediately get in touch with you.

With kindest personal regards, I remain,

Yours truly

Dear Doctor Allen:--

Your kind letter of the 27th inst., arrived in due course. In checking over various matters, I am sorry that I am going to be unable to be in Lawrence on Saturday, June 10th. It so happens that this is the day of the Northwest Kansas Bar Meeting, and as I am an officer in the organization, small time officer it is true, nevertheless I feel I should be present. Consequently I can't come to Lawrence. However, I know you will have a good time, and I wish you the best of luck.

Hoping to see you some time in the near future, I am,

Dear Dr. Allen:

I have your nice invitation of the 26th to participate in the golf tournament to be held at the Lawrence Country Club on June 10.

I know that it will be an enjoyable affair and certainly do regret that I can not come over for it. I have some matters scheduled that will make it impossible for me to be away on that date so I will have to miss it this year.

There is no reason why a few of the old timers can not give the young fellows a good drubbing at this match. In fact it might be a splendid idea to set them down a notch at this particular time in their lives. It would be preparation for a few of things they will run into in the coming years.

My very best wishes for a grand success, and with personal regards and thanking you, I am,

Very truly yours,

H. A. Grutzmacher
