Mr. Frank Bangs,
114 W. Iron Ave.,
Salina, Kansas.

Dear Frank:

Thank you for your letter of the
12th instant regarding the film.

I wonder if you could send the
film so that we could have it Monday to show the
varsity and freshmen squads. Mr. Fred Montgomery,
of our Extension Division, will be glad to show
the picture as soon as it arrives.

Very sincerely yours,

Director of Physical Education.
