Dear Mr. Hill:

C. W. Fletcher, president of the Titeflex Metal Hose Co., Newark, N. J. and member of the engineering class of 1897 will be here for commencement. He will arrive Friday night, June 9. I have tried to interest him in playing golf and have advised him that you would be out there on the course. Today he writes that he will not be able to carry his clubs with him. "However," he says, "I would like to visit the Lawrence Country Club and see their arrangements and meet any of the oldtime friends I can."

He will stay at the Eldridge Hotel.

I am sending a copy of this letter to F. C. Allen, chairman of the golf tournament it is my hope that some of you can arrange to welcome Mr. Fletcher.

He will have with him here in Lawrence Mr. Byron F. Barnett, president of the First National Bank in Jacksonville, Florida. Mr. Barnett was a student here in the middle 70's.

Cordially yours,

Fred Ellsworth
Secretary

Dear Sir:

In answer to your letter of May 26, I wish to say that I will be very happy to accept the invitation extended to me for Saturday, June 10.

Hoping to see you on that date, I remain,

Dear "Fog":

I would be pleased to take part in the golf tournament if I can come to Lawrence on June 10th. It will be impossible for me to say whether I can or not. If possible, I will come down and if it is too late to enter it will be my fault and not the committee. I would enjoy coming ever so much but it is our busy season and, therefore, hard to tell when we can be away.

Yours truly,

O. M. Rhine

Dear Dr. Allen

Thanks for your invitation to play in a golf tournament on Saturday morning June 10. I cannot say at this time whether or not I will be there, inasmuch as I am leaving on Saturday, June 3, for New York City, and my stay there depends on what the Fair has to offer in the way of a Sally Rand Exhibit. My tentative plans are to be in Lawrence on Friday evening, June 9, in which event I shall be glad to play on Saturday morning.

My great athletic ability has not been concentrated in a very large measure on golf, and I must confess I am one of the world's worst. I doubt if I can stand the embarrassment of a tournament such as you suggest, and by way of evidence, permit me to say that Exhibit A is a nice, rosy 107 of last Sunday.

Today or tomorrow I shall try to contact those whom you have mentioned in your letter. I have already talked with Donaldson some time ago, and he was attempting to find the alleged golfers among the alumni who might possibly return for the commencement program.

As I say, it is likely that I'll be there, but I don't want you to depend on it. In any event, I shall look forward to seeing you while at Lawrence, as I shall turn up there at some time or another in the next week or two regardless of the shape in which I might be. With kindest regards, I am

Sincerely yours

Mr. Sid Linscott,

Dear Sid:

It is late to write you about the alumni-senior golf tournament we're having at the Lawrence Country Club on Saturday, June 10, but I had written Wayne McCoy at Parsons asking him to bring you up. He wrote that he had not located you yet. This accounts for the lateness in notifying you.

If you can come up we will be glad to have you. The tournament begins at 9 a.m. Saturday, but if you can't make it that early, come when you can.

Hope we'll see you Saturday.

Very sincerely yours,

Director of Physical Education,

Dear Wayne:

This will acknowledge receipt of your good letter of the 6th instant. I hope that you can come up Saturday, and if you can't get out to the Country Club by 9 a.m., come when you can.

The Sid Linscott that I spoke of is a banker at Erie. I thought you might be coming through Erie on your way from Parsons, and I presumed that you knew Sid because he is down in your territory and he is a K. U. man back in the 1902 or 1903 vintage. Sid was on the list with the Parsons group - that is how I came to mention him.

Looking forward to seeing you Saturday, I am

Very sincerely yours,

Dear Dr. Allen:

Thank you for your letter inviting me to participate in the golf tournament to be held in conjunction with Commencement.

As you no doubt know, I would enjoy very much participating in this activity. At the present time I am not sure that I will be able to get to Lawrence for Commencement. If I am able to be there I am not sure that I can be there by 9 AM, Saturday. At any rate, I will be there if I can possibly do so.

I have talked with Roy Bennett but he doesn't seem to go in for golf. I haven't located anyone around here by the name of Sid Linscott but if I do locate him I will give him the details about the tournament and let you know if he can be present.

Hoping to see you soon, I am

My dear Mr. Ellsworth:

I asked Principal J. R. Van Buskirk for assistance in answering this. You will note — on the opposite side — he has suggested Myrl Engel, ✓ I Bill Holt, and Roy Smith. The other name — Ed Klewer — is the name of the father of our high school senior president; but I think you meant parents of this years graduating class at K. U., and so his should not be included.

The Lawrence Country Club has a perfectly wonderful 18-hole course, with the finest greens you ever saw. The Commencement committee has authorized some fine prizes.

Now you give us the names of these golfers, and I am betting dollars to doughnuts that Phog and Jake will have a golf tournament that is a tournament.

Sincerely yours,

To Official K. U. Representatives:

Here's an easy one for you: Please send us post-haste the names of all the alumni in your community who take an active interest in golf.

We are going to have a REAL golf tournament at Commencement this year, and the committee wants to write directly to the alumni who are golfers. Add to your list parents of this year's graduating class.

Professor Jake Jones was named chairman of the golf tournament committee. He called us together and put none other than Phog Allen himself in charge of promotion. These persons whose names you send in will hear plenty from Phog. If you don't answer this within the next three days, you will be hearing from him too.

Dear Fred,

Since Harry is up to his ears in Senior finals I have tried to find out who here might be interested in the golf tournament. The following names I was able to unearth and I'm sorry I cannot tell whether or not they will be interested in coming.

1609 Leavenworth — Mr. O. M. (Pat.) Rhine, Manhattan, Ks.

Earnes Bldg. — Atty. A. R. Springer " "

Box 373, c/o Harlon & Johnson Law Firm — Hon. Hal Harlan " "

716 Houston — Atty. Scott Pfuetze Pfuetze "

I'll have to leave the rest to the Committee. Good luck with it all.
