Dear "Fog":

I would be pleased to take part in the golf tournament if I can come to Lawrence on June 10th. It will be impossible for me to say whether I can or not. If possible, I will come down and if it is too late to enter it will be my fault and not the committee. I would enjoy coming ever so much but it is our busy season and, therefore, hard to tell when we can be away.

Yours truly,

O. M. Rhine
