Kansas City, Mo.

Dear Miss Riefler:

Will you kindly mail me parcel post  
three copies only of "My Basketball Bible"?

Mr. Kleinheffer tells me that you  
have but fifty books on hand, and I told him that I  
was very certain we would get rid of these before the  
new book comes out. I am doing my part in a small  
way to accomplish this end.

It was good to see you people, espec-  
ially you and Miss Bearg - you know, I never did know  
her husband's name. You know how vain men are, and  
when you women say the things you do to old men and  
tell them they look young, that makes a big hit with  
them!

With every good wish, I am

Very sincerely yours,
