Lt. Comdr. Gene Tunney  
U.S.N.R.  
U.S. Naval Air Station  
Pensacola, Florida

Dear Comdr. Tunney:

I was delighted to learn that Ensign J. W. Stack reports that Goal-Hi is meeting with a favorable response. I bet if you took a couple of shots at the basket you hit at least one of them. Your sense of timing and marksmanship has always been good.

In regard to your second paragraph, I am sending your letter to Mr. Roy E. Weinzettel of the Fred Medart Manufacturing Company, St. Louis, the firm which fabricates our Goal-Hi, suggesting that they get in touch with Lt. Comdr. Edward Mahan of the Naval Air Station at Jacksonville, Florida and supply him with one of our Goal-Hi Standards.

We appreciate your kind consideration and assure you we want to do our part in giving the boys an opportunity for wholesome recreation and fun.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
