

I shall be able to have installed the first equipment
for "Goal-Hi" - ordered from Fred Medart Mfg. Co. (There
was a small difficulty about the payment of the freight.
At this time of year extensive activity in outdoor sports
is enjoyed and it will be the best opportunity for
introducing it and giving it a good start. I shall exert
all my efforts in this direction.

Accept the greetings of your great admirer
and your servant,

H. López Reboledo.
