Dear Sir:

Dr. Forrest C. "Phog" Allen, famous basketball coach at the University of Nebraska and founder of the new play-game Goal-Hi, recently offered Lt. Comdr. Tunney, of your Station, a complimentary Goal-Hi standard for use at the Station in gaining an appreciation of the many desirable features of his game.

As may have been reported to you, Commander Tunney accepted the offer and we now have word from Dr. Allen, instructing us to make this shipment direct to you.

We will send you copy of the rules book for playing the game formally and informally; and if you have any questions, we shall welcome an opportunity of giving you the desired information. Suggest that you either write us direct at St. Louis, or forward your inquiry to Dr. Allen at the University of Kansas, Lawrence, Kansas.

Cordially yours,
