Dear "Phog":

Thanks for your letter of January 7, acknowledging receipt of royalty check for the last quarter of 1940 and also advising us of your correspondence with Mr. Stith of Jefferson City.

I have just talked to Mr. Stith via long distance and he gave me some very interesting information.

We appreciate your flattering remarks, particularly as concerns "yours truly." Better be careful, "Phog", or you might be forced to eat those words. On second thought, I am afraid that I couldn't very well let you down after what you told Stith about me.

Kindest regards,

Sales Promotion Manager
