Mr. Evan E. Evans
Superintendent of Schools
Winfield, Kansas

Dear Mr. Evans:

Thanks for your letter of August 27. I shall respect your request that I do not tell Dr. Allen about your letter. He knows that I wrote to you so I guess the only thing I can tell him is that you do not want to be quoted. He is greatly interested in finding out about the boys, and I would like to deliver to him the facts contained. Do you have any suggestions?

I like what you have to say about my sister. She has been showing up her little brother through all the years. You may believe that we are all overjoyed at the recognitions she has received and the opportunity for the wide contacts and service she gets in carrying out the type of thing that is so dear to her and in which she has her best talents. I don't know whether you know the bad breaks she has had all along the way and the obstacles she has overcome--not as bad of course as some people who are crippled and blind, but she has always been more than willing to take the rap for her family and her friends and to carry the burden.

With kindest regards and best wishes, I am

Cordially yours,

Secretary
