My dear Mr. Allen

As a recent purchaser of Goal-Hi equipment I thought you might be interested in two suggestions that I have to make about the rules.

1st Put out a mimeograph sheet with your rule book listing the differences between Goal-Hi rules and regulation basketball rules. Most coaches and players are familiar with basketball rules and the few differences between the two sets of rules could be seen at a glance under the plan I have suggested. It represents a service that should go with your game so as not to make it necessary to go thru the Goal-Hi rule
