

June 14, 1940.

Mr. R. E. Weinzettel,  
Medart Manufacturing Co.,  
St. Louis, Missouri.

Dear Roy:

I am enclosing the note I have just received from Dr. Clapp, of the University of Nebraska, which refers to his letter that I sent you. Perhaps you will want to write him regarding the cost of production of Goal-MI equipment.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
