Dear Mr. Simon:

I am very happy to know of your interest in our new game, Goal-Hi.

The Goal-Hi standard is made by the Fred Hedart Manufacturing Company, of St. Louis, Missouri. I am sending your letter on to this firm and I am sure that they will communicate with you in a very short time.

The game is making vast strides in popularity, and I trust that you will find it adaptable to your needs.

Very sincerely yours,
