Mr. Maurice Hughes,
R. R. #6,
33rd Blue Ridge Blvd.,
Kansas City, Missouri.

Dear Maurice:

I find that I can get one of the Goal-Hi, which cost \$29.50, for the cost to me with my discount, which would be \$20.65. If you would like to have one, let me know at any time and I will have it so that you can haul it in your car. It is an easy matter to assemble.

I am very sure that you will like this piece of apparatus at your home.

Bess mentioned at the dinner table that you had left your hat at Milton's, and Milton reports that it is at his house. Doubtless this letter may beat the post card to you, but I am like you - if I lose a hat I like to know where it is.

I trust that you and your family are feeling well and happy.

Very sincerely yours,
