Mr. Andrew Coliny,  
Box 113,  
Dunbar, Pa.

Dear Mr. Coliny:

I am glad to know of your interest in our new game, Goal-Hi. I do not have any copies of the rules here, but am referring your letter of April 6th to the Fred Medart Manufacturing Company, of St. Louis, Missouri, the manufacturers of the Goal-Hi equipment. They have published the Goal-Hi rule book, which we wrote last summer, and I am sure that they will send you all the information you desire in a very short while.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
