

Valley Cage Aces

Pictured above are two of the reasons why Winfield High School is "ups" in the Ark Valley League and is rated a strong contender for state tourney honors. Bob Brannum, left, 6-foot, 5-inch pivot man, is the leading scorer of the circuit with an 11 game average of 13.64, while his twin brother, Clarence, right, is probably the outstanding defensive man in the league. Clarence is the smaller of the two—he's only 6 feet, 4½ inches tall. Tho seniors they'll be around in cage circles for awhile for they are only 16 years old.
