Mr. H. V. Duffont, Superintendent,
Department of Buildings and Grounds,
Rensselaer Polytechnic Institute,
Troy, New York.

Dear Mr. Duffont:

I am very happy to have your inquiry regarding
our new game, Goal-Hi.

The equipment for Goal-Hi is made by the Fred
Medart Manufacturing Company, of St. Louis, Missouri.
They also have published the Goal-Hi rule book which
we wrote last summer. I am writing to this firm at
once asking them to communicate with you, and I am
sure you will hear from them at a very early date.

Very sincerely yours,
