Mr. Harry O. Janicke,  
First National Bank Bldg.,  
Winfield, Kansas.

Dear Harry:

Thank you so much for your splendid help in writing me as you did regarding Bob and Clarence Brannum. I had figured out that the mother was shopping about, but I thought I would have an opportunity to be naive enough in my letter to get the main point across to her. Of course, those people very seldom see the bigger things. They are looking for a place to eat and sleep and get by, and of course they are hoping somebody else will pay the bill.

Again I want to thank you, and hope that I can reciprocate your many kindnesses.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
