

February 7, 1940.

Mr. H. Bruce Smith, Director,  
Department of Health and Physical Education,  
Manhattan Public Schools,  
Manhattan, Kansas.

Dear Mr. Smith:

I am very happy to have your letter of the 5th asking for information about our new game, Goal-Hi.

The equipment for Goal-Hi is made by the Fred Modart Manufacturing Company, of St. Louis, Missouri. They have also published a book of rules for Goal-Hi which we spent the summer writing. I am sending your inquiry on to this firm, and you may expect to hear from them in a very short while giving you full details as to price, and so forth.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
