Dear Phog:

Some time ago you will remember I wrote you regarding the Paramount News release on Goal-Hi and you suggested that I write your friend in Kansas City, which I did.

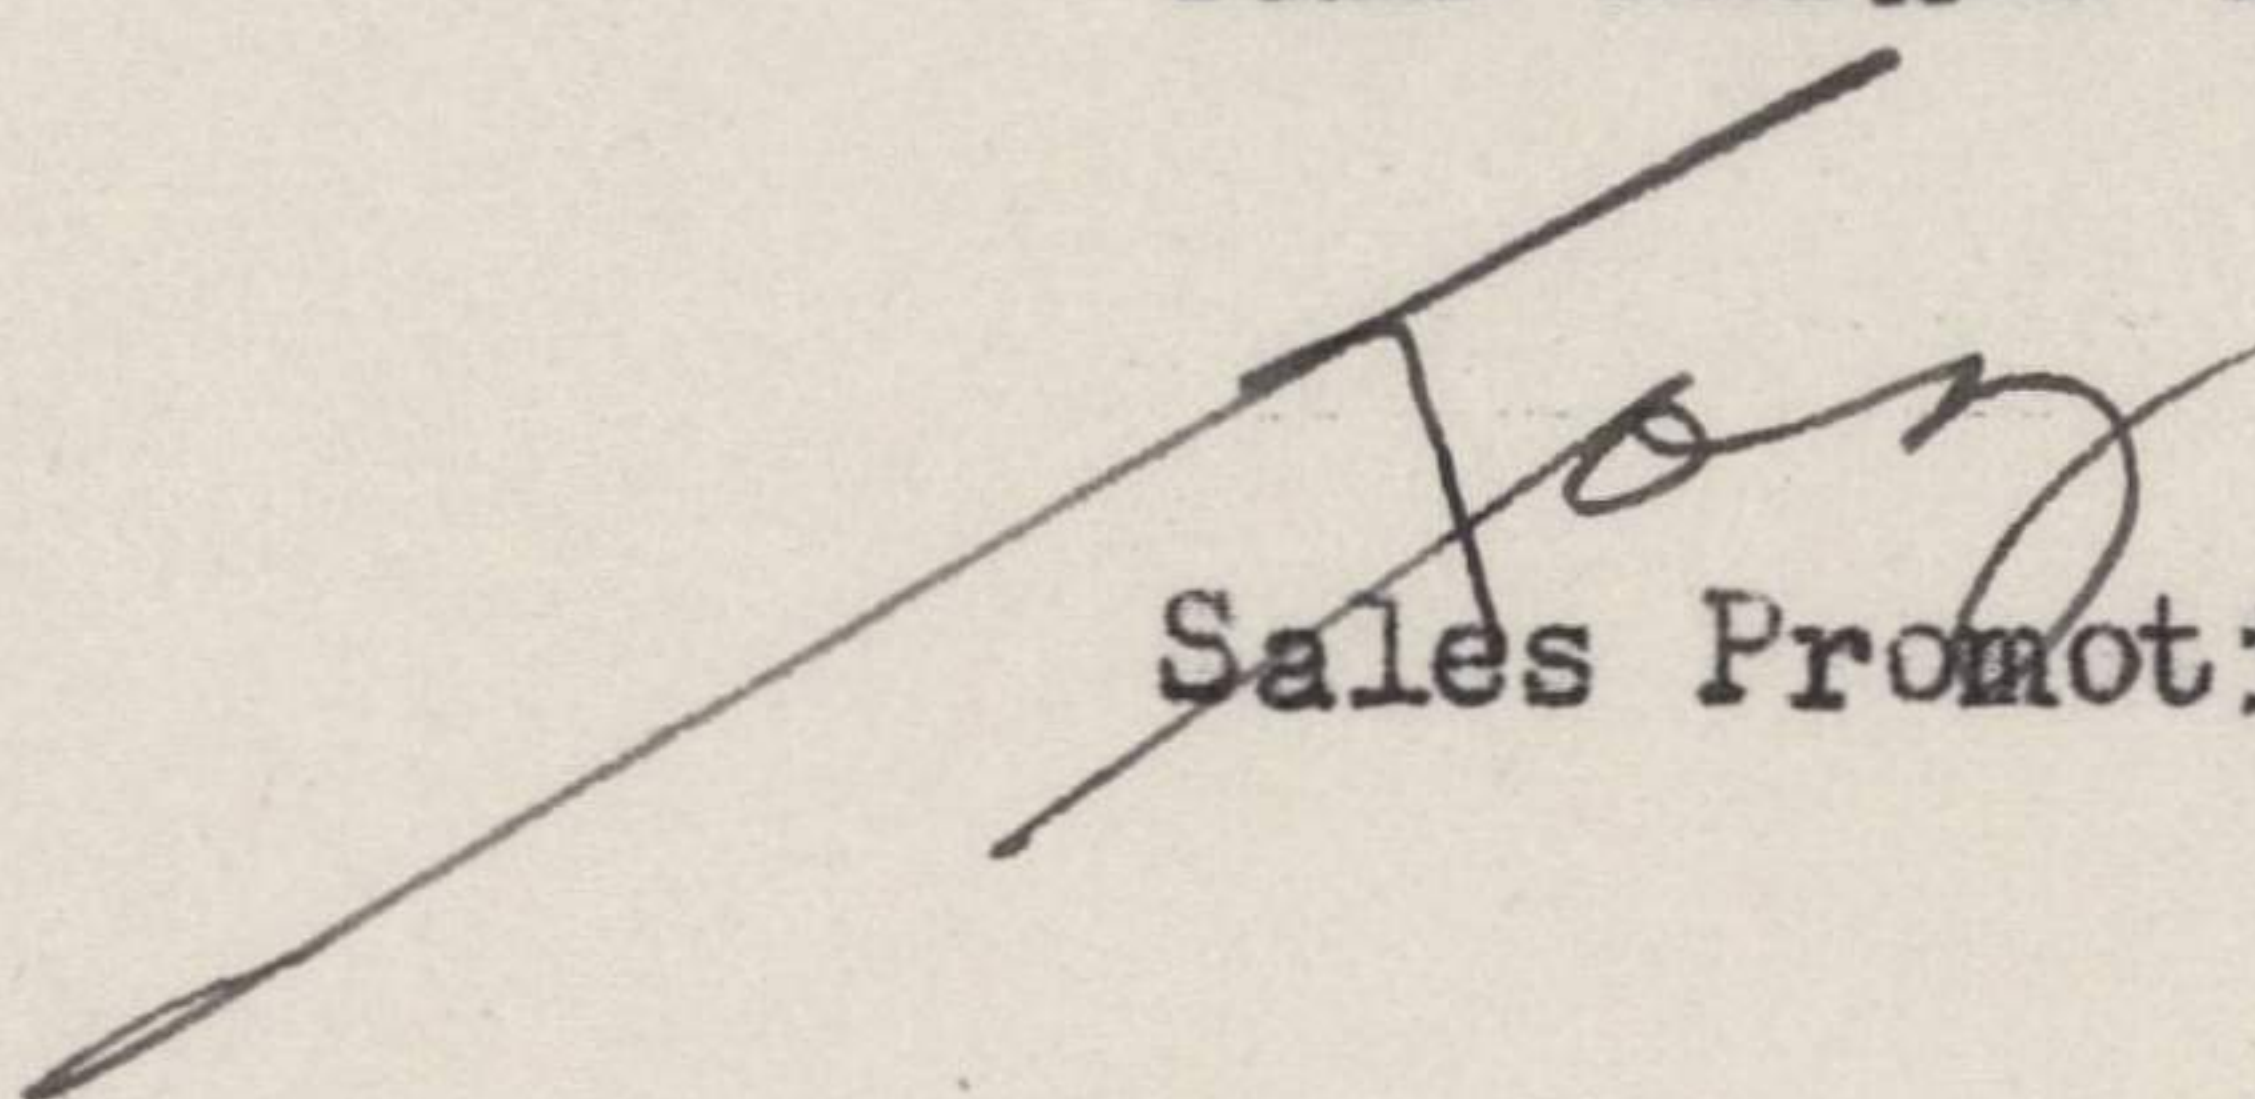

I have heard nothing from him and I am wondering if it would be too much trouble for you to address an inquiry to him, asking when the picture will be released, and then let me know what you hear from this fellow.

We are getting a little concerned about this picture and are wondering whether it has been shelved.

Kindest regards.

Cordially yours,
