Dear Coach Berry:

I am very glad to have your inquiry of the
11th instant referring to our article in the December
issue of The Athletic Journal on Goal-Hi.

The equipment for this game is manufactured
by the Nedart Manufacturing Company, of St. Louis,
Missouri. They also have published a rule book on the
game. I am asking them to send you detailed information,
and I am sure you will hear from them in a very short
time.

If you should desire additional information at
any time it will be a pleasure to hear from you.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
