Dear Dud:

Your letter of the 26th instant was received this morning, and I immediately wrote to Roy Weinzettel, the sales promotion manager of the Medart Company, asking him to give your request his very prompt attention.

Your first request for information concerning Goal-III was sent to the Medart people as soon as it was received here. I am unable to understand the delay on their part, and I trust that you will be able to get your orders placed before it is too late.

With best wishes for a very happy and prosperous New Year, I am

Very sincerely yours,
