Dear Mr. Butler:

Thank you very much for your recent inquiry regarding the game, Goal-Hi. I am immediately referring this to the Medart Manufacturing Company, of St. Louis, Missouri, the manufacturers of the goal. They are also distributors for the Goal-Hi rule book.

I am very glad to know of your interest in this game, and am sure you will hear from Medart's in a very short time.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
