

WAA/5

Bill Anderson,

Cordelia,

and both of us will profit by your arrangements.
time to shoot the first scene around ten thirty or eleven o'clock
above. Line up a bunch of kiddies and a location setting the
from any one of your staff who can arrange the details requested
in closing we earnestly request your reaction or your reply

Thursday of next week.

like for us to shoot Saturday of this week or Wednesday or
earlier. The most important factor is time. New York would
your close-up and do not need you if you are too busy to
or coach can handle my request very efficiently. We have
you are not available. Your assistant perfectly instructor
it is essential that I have an immediate reply. In case

round out a story that is well worth while.

We should set-up in some school yard or public park to
these things must not be staged on your football field.

shooting at the goal.

would be great to have a few feet of ten colored boys
kiddies playing the game, a battle between girls, if
story providing we would add several shots depicting
as explained to you New York thinks we have a national
assignment.

coming back to Lawrence to finish up the Goal-Hi

My dear Phoebe: -
