Mr. John H. Thompson,  
Almena, Kansas.

Dear Mr. Thompson:

I am sorry for the delay in responding to your kind letter of August 17th, but it came during my absence on vacation.

I am glad to know of your interest in our new game, "Goal-It". The rule book is now in the process of being printed, and we expect it will be ready for distribution within a short time. The goal is manufactured by the Fred Hedart Manufacturing Company, of St. Louis, Missouri, and I am asking them to send you information regarding the cost of the equipment. They will also handle the distribution of the rule book, and I am sure you will hear from them at an early date.

With appreciation of your interest, and with best wishes,  
I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
