Dear Dr. Forrest:

I want to thank you for your letter and your consent to serve on the advisory board of our publication. The first issue will be off of the press Friday and I want you to look it over and suggest how it can be improved. I had arranged for Ed Danforth, Sports Editor of the Georgian, to edit it for me but the paper decided not to give him permission to do it. I am planning now to edit it myself this year, or until I find a capable man.

If you will be kind enough to do so I will greatly appreciate it if you will write a basketball article for me. I would suggest preliminary training and drills, but any other topic you select will be all right. I would like to have this by October 20.

Thank you very much.

Sincerely yours,

Dwight Keith
