Dear Dwight:

I am sending you an article entitled, "Booing a Real Menace in Basketball."

I trust that this may fill the bill. Just delete any part that you wish if you think that it is too long.

Or if you do not want to use this and you would prefer to use something that you consider more pedagogic, just be yourself and feel happy in doing it.

We leave Monday noon via Chicago, Ann Arbor, Buffalo (Niagara), U.S. Military Academy, for New York, then Philadelphia, Washington, D.C. and return to Chicago for a game on January 2.

The Saturday Evening Post is carrying a story, December 24, that you may like. I have not seen a line of it, but they say it is fair.

My kindest regards to you and your good family,
I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
