The Georgia Athletic Coaches' Association was organized April 15, 1938, by the merging of the Georgia Football Coaches' Association and the Georgia High School Coaches' Association. A coaching clinic and all-star football game was conducted that summer with Coach Joel Hunt in charge of the North Georgia team and Coach W. A. Alexander coaching the Southern team. The Northern team won by the score of 25-6. About 6000 attended the game.

This is the second annual coaching clinic and all-star game to be sponsored by the Coaches' Association. The Southern team is coached by
