Mr. Dwight Keith, Secretary,
Georgia Coaches Association,
751 Park Drive, N. E.,
Atlanta, Georgia.

Dear Mr. Keith:

I wonder if you would be kind enough to tell me what sort of clothes the men wear on the golf courses in Atlanta. We wear shorts here, and I was wondering what to bring with me. I played at Ames, Iowa, this spring at the time of our Big Six Conference meeting there, and shocked some of the Iowa people when I wore shorts on the golf course. I want to be sure my costume doesn't shock some of those Georgia "crackers".

I am also wondering if you have made any hotel arrangements. When I attended the national meeting of the Physical Education Association there a year ago last spring we stayed at the Henry Grady, and when we attended a football game there a few years ago we stayed at the Ansley.

Since the headquarters for the northern teams is the Ansley Hotel I imagine that we are to stay at that hotel. However, I will be glad to hear from you on this point. I plan to get in a day ahead of time, if possible.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
