Lawrence, Kansas.

Dear Coach Allen:

Slacks are most popular with the Atlanta golfers, while many do wear shorts. Knickers are seldom worn. If you prefer to wear shorts bring them along, for you will see many others wearing them too.

I have made reservation for you at the Ansley hotel.

You are scheduled for three formal lectures on Basketball and one on athletic training.

We are all looking forward to seeing you.

Very sincerely yours,

Dwight Keith
