Dear Dr. Allen:

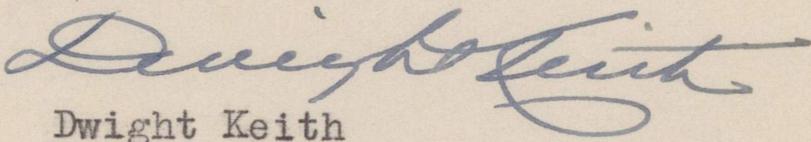

I want to thank you for the book and for the autograph
you were so kind to write.

I am working hard on my magazine and I am trying to
get it established as a sports magazine for the
Southern States. If you will endorse the idea and
agree to serve as one of my advisors I am sure it
will be a great help and I will appreciate it more
than I can tell you.

I am following up your letter to McGraw Hill Co. and
asking if they will not take some space with me. I
believe it will be an effective medium for them in
this section.

With very best regards and wishing you a very
successful season, I am

Sincerely yours,

Dwight Keith
