Dear Coach Allen:

Regarding the articles for the Georgia Coach & Athlete, I suggest that they be long enough to cover from one to three pages in the magazine. That will be between one thousand and three thousand words, or from three to eight typewritten pages double spaced. Anything in that neighborhood will be all right, and will be greatly appreciated.

I told Coach Mundorff yesterday about your coming and he was delighted. Other coaches who will work in this clinic are: Frank Thomas, W.A. Alexander and George Griffin.

Our publication goes to press around the first of each month. If you will get your articles here by the 20th of the month preceeding it will be time enough.

I have a copy of your new book and like it very much.

Sincerely yours,

Dwight Keith
