Dear Doc:

Many thanks for your note and the Jayhawk Rebounds. I had heard you were publishing the monthly letter, but it was the first copy that had come my way. I have scanned it for names and find it most interesting. I'll have to settle down and go over it thoroughly.

The morning paper here happened to carry a story on the Iowa State and Utah victories last night in the tourney at K.C. I'm pulling for Louis and the Cys.

I haven't seen anything about Dean Nesmith lately. If he's still around give him my regards. I wrote him a card once during football season but he was probably too busy to answer.

I have a 6-month subscription to the Journal-World and so manage to keep abreast the local news. The STAR sends a weekly news summary and also a monthly office gossip sheet. Both are very interesting.

Best regards.

Yours,

P.S.--- Hello, Mrs. Hulteen.
