March 20th, 1944

Mr. Forrest C. Allen
University of Kansas
Lawrence, Kans.

Dear Mr. Allen:

This is to acknowledge and thank you for your letter of March 17th.

I am very sorry Mr. Allen, but we do not now have the Pararubber overshoe in either brown or black in size 10.

We no doubt had these when Rev. Large was here, but the past few days of bad weather has taken our stock down considerable.

I would like to be able to tell you I might be able to furnish them to you at a later date, but I have no choice as you know this type of overshoe is not being manufactured and won't be for the duration.

I appreciate your writing me and trust I may have the pleasure of serving you some time in the future.

Yours truly

William Bruckner.
