Dear Mr. McFarland:

I do want you to know how genuinely I appreciate your most helpful communication. You have been wonderful and I think we have done a pretty good job of keeping some of the boys on their toes a little more expectantly than they had been before.

I hope some day in the future to goet and talk with you, as it would be a genuine pleasure. In the meantime, we will keep hitting at the bad spots in our great national game. Drop me a line from time to time with any additional information that might come your way.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
