Dear Joe:

Thank you for the check which arrived in your letter dated February 6th. I am also happy to get the tear sheet, although I had previously received several here in Lawrence. We have about twenty subscribers to PM here in this town.

Regarding my testifying before the Kings County Grand Jury, I could not possibly leave here before March 2nd. We play our last game, which is with Iowa State College, at Ames, on that date. I am enclosing a schedule of our games. If they should desire my testimony before that they would have to take it from depositions here in Lawrence.

Will you let me have some information on when the Kings County Grand Jury adjourned?

I am glad to have your telephone number and will keep you advised if any emergency arises.

With kindest regards, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
