Dear Doc:

The officials for the Kansas U.-Kansas State game at Manhattan are Volz and Astle. Astle was one of the officials whom you and Frank agreed on as an alternate for this game. However, before contacting him we contacted the following men: Peters, Carroll, House, Lance, Duvall and O'Sullivan, and had refusals from each one of these men.

For the Kansas U.-Iowa State game at Ames January 23 we have Carroll and HasBrouck. Carroll was one of the #1 selections. I sincerely hope that this is satisfactory.

Sincerely,

G. F. Veenker, Secretary
Big Six Directors
