Dr. F. C. Allen

Lawrence, Kansas.

Dear Dr. Allen,

I am enclosing a clipping which recently appeared in the Illinoian Star which I thought would be of interest to you and Mrs. Allen.

Had a nice letter from Mit several weeks ago regarding my doing some rushing for K.U. in Chicago. However, being in uniform and 1,000 miles from the shores of Lake Michigan, I trust that Mit understands my situation.

Although I am eligible to be placed on inactive duty on 15 February, I am being retained for an indefinite period. I am enjoying my duty very much as Executive Officer here at Saufley Field, and have recently taken up golf which has given me an opportunity to enjoy all of Florida's sunshine which I have been reading about for so many years.

Have been watching with interest your 1946 team and would like to see the post-season game arranged with Oklahoma A&M. Since Charlie Black is getting stronger each game and with the remainder of the team getting accustomed to the Allen system, I am sure that the Cowboys will be in for a full evening.

Kindest personal regards to you and Mrs. Allen.

Sincerely,

John H. Glenn,
Lieut. Comdr., USNR.
