JOHN T. FOUST, PASTOR

Dear Mr. Allen,

It has come to our attention that before the basketball tournament was held, you made a statement to the coach of Oklahoma University that you would play them a post-season game any day of the week except Sunday.

In behalf of 285 young people representing thirty christian churches of Northeast Kansas, we want to congratulate you upon this statement.

We believe Sunday should be kept for worship and for christian service; therefore, we appreciate the statement which you made. Some of us have heard you speak and we appreciate the fine work which you are doing in a christian way.

Sincerely yours,

Beverly Gallea

District Youth Fellowship Pres.
