Mr. Doral Grose  
1814 Fifth Avenue  
Dodge City, Kansas

Dear Doral and Mrs. Doral:

I feel that you children are a part of my family and although I have forgotten the Mrs.' name, I still remember the wonderful time that I spent in your home.

I want you to know that I appreciated your loyalty and thoughtfulness in writing me as you did March 16. It is such letters from you people that make you realize how wonderful friends are. Although we did not win, or come near it, it strengthens us in the assurance that friends are certainly worthwhile.

I got a note from the Dodge City Chamber of Commerce asking me to speak out there on the 8th or 15th of April, but since I have Rotary district conference engagements in Kansas City and Oklahoma City on the 7th and 8th and the 14th and 15th, I had to decline, unless that date could be arranged following those dates that I have.

With all good wishes, I am

Sincerely yours,
