Mr. Ivan H. Grove, Director
Health and Recreation
Hendrix College
Conway, Arkansas

Dear Ivan:

Yes, indeed, I do remember you and I am delighted to hear from you.

I appreciate the information regarding Lynn Greeley, who will enroll at K.U. this coming fall. You can rest assured that I will give Lynn every consideration and I will be pleased indeed to have him on my squad.

I certainly do not consider this as anything but a friendly message and a helpful one for this young man. I have always felt that if a man would be kind to any of my sons or my children, that would be the finest service that he could render me. In my work I endeavor to do that for the other fellow's son. You tell Lynn that I would be very happy to have him write me, even before he comes to the university, so that if there is any service that I may render him, it will be rapidly given. Thank you so much.

I trust that life has been good to you, as I am sure it has.

Dr. W. W. Parker, president of the Southeast Missouri State Teachers College at Cape Girardeau, is one of your distinguished alumni. Dr. Parker was head of the Department of English at Warrensburg when I was there as Director of Athletics along from 1915 to 1919. He was a good gentleman and an outstanding educator. I see him occasionally and I always link up your college with his personality. I pitched on the summer session team there and he caught for the faculty, so we had a lot of fun.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
