Mr. Forrest Allen
Athletic Director
University of Kansas
Lawrence, Kansas

Dear Coach:

Perhaps you will not recall the writer of this letter, but I was in your coaching school at Kansas University one summer and you were also in my own home ^{there} when I came down to ~~Kansas~~ ^{Arkansas} City, Kansas, to work with the high school team.

Regardless of your memory on these two occasions I am informed that a young man, Lynn Greeley, will enroll at your institution this coming fall. This boy's home, as I understand it, used to be in Hutheson, Kansas, but he later came to Little Rock, Arkansas. He is one fine basketball player and really a grand fellow.

I was talking with Lynn the other day and he indicated that he was going to your University and I would like for you to take this as an expression of appreciation for anything you can do for this young man. There is no doubt in my mind that he will make you a valuable player and at the same time I know that a little information beforehand doesn't hurt a young man who is planning on entering school.

I do not want you to construe this as an attempt to pressure you in regard to this young man. As I understand it, he is fully able to pay his entire way through the University. I merely use this as an entre ~~e~~ between the young man and you.

Thanking you, I am,

Sincerely yours,

Ivan H. Grove, Director
Health and Recreation
