Mr. Joe Goodwin,
Mound City, Kansas.

Dear Joe:

Thank you for your letter of the 25th. I plan to bring former editor Harry Morrow of Blue Mound with me. He is very much at home in your community and says he will enjoy the drive, and I am sure I will enjoy having him with me. He is sports editor of the Journal-World here, and news-gatherer plenipotentiary.

We will leave here at 6 o'clock which will give us ample time to get there at 7:30. I will be glad to see you, Joe.

Very sincerely yours,
