Lawrence, Kansas

Dear Phog:

Congratulations on your successful political venture and your election. I was pleased to hear of your success.

I was sorry that I didn't have an opportunity to see you this past basketball season. I worked several games in the Chicago Stadium and had DePaul in their Purdue and Great Lakes games.

Kind personal regards and looking forward to seeing you in the future, I am,

Yours sincerely,

"Con" Gibbs
Ronald J. Gibbs
