

Screwed on Guam
21 June 45

Dear Doc:

Please forgive the crude paper but it seems writing material is at a premium here and we must take whatever we can get. Perhaps in due time when we get set up better I'll be able to get nicer materials.

As you see, I am on Guam. It is a pretty little island and from what I see it could be developed into a wonderful resort spot. Right now we are having the rainy season and King mud rains supreme. However, in a few weeks it is expected to clear up and then the heat is scheduled to arrive. My how I hate heat. But I
