Dear Mrs. Griffith:

Thank you very much for your letter and check of May 26.

Yes, you may count on me for an article or two next year. But upon the particular phase, I would want to reserve a little time before I make the announcement of the subject. I would prefer to look over the several basketball publications and from a cross-section of all of them I may get something rather pertinent.

I will write you again in the near future and see how my ideas mesh with yours. There certainly are a lot of articles that we could take.

Also, I would like to follow the same procedure regarding any suggestions that I might have in commenting upon the editorials. You will also hear from me regarding this in the same letter.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
