Dr. Forrest C. Allen
Director of Basketball
University of Kansas
Lawrence, Kansas

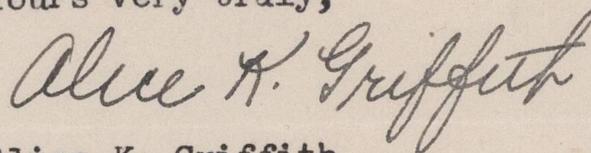

Dear Dr. Allen:

At this somewhat late date, I am enclosing a check for your January article. I wish to express again my appreciation of your co-operation in continuing to write for the Journal?

May I count on you for an article or two again next year and upon what phase of basketball would you prefer to write?

I would also like to ask another favor of you. Will you suggest how we may further improve the Journal from an editorial standpoint? Don't hesitate to criticize us, for adverse criticism will help us. How can we further improve the basketball articles?

Yours very truly,

Alice K. Griffith
